The Diana Lux is a great example of a multipurpose modern upholstered seating option. This chair is constructed of top-grade, hand-selected European beechwood in your choice of stain paired with vinyl or fabric upholstery. Upholstery can be in any standard BESeating range or customers own material. Frame finished in a variety of choices of wood stains. This contemporary armchair is designed to add a classy touch to the interiors of hotels and restaurants and will fit within many different design schemes. The seat and back feature a plush layer of high-density foam covered with durable, rich vinyl or fabric upholstery. From the lush, green upholstery to the stylish brass-capped legs, everything about this seat is just amazing!
